Announcement of the ÖHome Concerts

The ÖH Concert series is moving into virtual platform. Due to the current lock-home situation we decided to announce a call for video recordings of living room concerts and performances of our students in order to encourage their creativity, boost their motivation and give small financial support during Quarantine times.

We want to upload every friday one video on our new youtube channel:

<https://www.youtube.com/channel/UCNP0MrLPO4jNZsNr0jGoIQ?>

Apply now with a video of yours / your project, playing a digital concert! Next to "clicks", you will get a compensation, because we don't want you to play for free, but we want to support you!

Note that we consider applications only with unreleased-unpublished-new video recordings!

Please apply by sending all the necessary material to oeh-organisation@kug.ac.at

Guidelines and eligibility requirements:

1. The compensation is **80€ per KUG student** participating in the video.
External musicians receive a compensation of **20€**.
A compensation can be paid **only once** per semester per person – even if participating f.e. in other videos of colleagues.
2. To apply send us the **two documents** „ÖHome Concerts Data Privacy“ & „ÖHome Concerts Application“ via email to oeh-organisation@kug.ac.at
3. For now there is **no** application **deadline**.
4. The length of the video should be **20 minutes +/-**
5. The video must consist of:
 - a) **A moderation** of the performance: Introduce yourself to the audience, give some information about the project, tell us titles and details of the pieces you are going to play. We suggest to spread the moderation/talking time alongside with the music, to do some small breaks and avoid tiring-long introductions.
 - b) **The performance** itself: Artistic freedom. Go for it!
