Announcement of the ÖHome Concerts – Season 2

The ÖH Concert series is moving into virtual platform yet again!

Due to the current second lock-down situation we are announcing a call for video recordings of living-room concerts and performances of our students in order to encourage their creativity, boost their motivation and give a small financial support.

Every Friday we will upload one video on our ÖHome youtube channel:

<https://www.youtube.com/channel/UCNP0MrLPO4jNZsNr0jGoIQ?>

Apply now with a video of your digital performance!

We are looking forward to your creativity – **the announcement is open to all kinds of performances – be it music, theater, dance or a little bit of everything.**

We want to support you, so next to “clicks” you will get a financial compensation as well!

Apply by sending all the necessary materials to oeh-organisation@kug.ac.at

Note that we consider applications only with unreleased-unpublished-new video recordings!

The compensation is **80€ per KUG student** participating in the video.

External musicians receive a compensation of **20€**.

A compensation can be paid **only once** per semester per person – even if participating f.e. in other videos of colleagues.

Guidelines and requirements:

1. To apply send us your video and the **two documents:** „ÖHome Concerts Data Privacy“ & „ÖHome ConcertsApplication“ via email to oeh-organisation@kug.ac.at
2. There is **no** application **deadline**.
3. The length of the video must be **minimum 15 minutes**
4. **Quality: the video must have a good sound and visual quality:**
 - a) **Staging:** Prepare your living room as a stage – put effort in clothes, scenario, lights etc.
These will play a role while choosing applications.

- b) **Technical aspects:** Record audio and video as good as possible according to your possibilities (avoid bad quality mobile phone recordings!).
 - c) **If you do not have the needed equipment – please contact us and we might be able to help you!**
5. The video must consist of:
 - a) **A moderation** of the performance: Introduce yourself to the audience, give some information about the project, tell us titles and details of the pieces you are going to play. We suggest to spread the moderation/talking time alongside with the music, to do some small breaks and avoid tiring-long introductions.
 - b) **The performance** itself: Artistic freedom. Go for it!
6. Video link: Due to capacity issues, we kindly ask you to **upload (not send)** your video on an online platform (like youtube, vimeo, google drive, etc), mark it as **private** and send us the link. If we choose your video we will then contact you for uploading it on our youtube channel.
7. The **line-up** is free: Solo, duo, trio, ensemble with your flat mates, a "virtual" ensemble or any other line-up is possible.

Please note: Maximum 10 people per video!
Please follow the guidelines regarding the Coronavirus restrictions in your country!
8. **Removal of your video** (see „ÖHome Concert Data Privacy“):

If you do request the removal of your video from the YouTube channel of ÖH-KUG within **8 weeks** after the publication through ÖH-KUG, we reserve the right to reclaim the full, paid compensation.
